

Regal

Regal™

Camp like the king of the mountain.

Fifth Wheels

Functional Comfort | Abundant Storage | Smart Details | Aluminum Frame | Residential Upgrades

The Pull-Out Baskets help you pack faster so you can head out sooner. Just fill them up in the house, and slide them back into place.

The Easy-Pull, Full Extension Drawer Guides pull out all the way, so you can take advantage of all the space.

The Free-Standing Dinette looks like your dining table at home, and with the pull-out extension you can seat five for dinner. It's fancy enough for your Thanksgiving feast!

The Dinette Chairs are not only comfortable, they're secret storage units! The seat lifts up for handy additional storage space.

Welcome home. You may never want to go back.

Regal 365BHTS shown in Waterfall interior décor with Clear Oak wood finish.

The Living Room features residential upgrades that turn a RV into a home. Upscale features such as a cushy sofa and decorative lighting are standard. A glowing fireplace, washer/dryer, flat screen TV, and larger refrigerator are available too.

An All New Solid Surface Countertop with an integrated double-bowl sink designed for double duty, featuring separate bowls to wash and rinse your dishes. It also becomes additional counter space when you need it – simply put on the sink lid covers.

The Galley is loaded with smart details, because it's been designed by seasoned RVers. For example, the overhead cabinets are deep enough for full-size cookware. The galley is also equipped with notable name brands such as Dometic® and Magic Chef®.

The Guest Bedroom (select models), with a full-size bed and overhead bunk, gives overnight guests the same sleeping privacy that you enjoy in the master bedroom.

The Entertainment Center and Wardrobe holds not only your shirts, pants and socks, but a good size TV as well (TV not included).

The Guest Bathroom (available) means you don't need to share your personal space. Your guests enjoy their own sink and toilet.

The Shirtward holds a season's worth of clothing with a hanging rack and three big drawers.

Enjoy the royal treatment in Regal. The Regal lets you live like royalty wherever you are, with a spacious galley, large bathroom, and big refrigerator. In short, Regal is designed for functional comfort and long-term stays.

The Master Bedroom features a comfortable innerspring mattress. Queen-size is standard and king-size is available – how appropriate to find a queen or a king in a trailer named Regal!

The Master Bathroom is spacious enough to hold a marble-finish shower and sink, porcelain toilet, medicine cabinet, and you – with room to spare. The solid door between the bed and bathroom provides privacy.

Our claim to fame: The Aluminum Frame.

To create a lightweight but strong skeleton, we use a welded aluminum frame on all four walls and the floor. Coupled with our lamination process, it provides superior sidewalls that are strong, corrosion resistant and lightweight.

Drawing is for illustrative purposes only to highlight aspects of Regal construction. Actual RV design depends on model and is subject to change.

1. **HIGH GLOSS FIBERGLASS SIDING** - This durable and glossy surface is easy to clean, and adds beauty and structural integrity.
2. **FIBERGLASS FRONT CAP** - Improved aerodynamics and styling.
3. **2" x 2" ALUMINUM SIDEWALL STUDS** - Keeps weight down while providing structural integrity to the sidewall.
4. **SOLID BLOCK EPS (Expanded Polystyrene) INSULATION** - Provides strength and durability while helping to ensure interior comfort in every season.
5. **WOOD SUBSTRATE** - Adds structural reinforcement to the exterior fiberglass siding.
6. **INTERIOR WALL PANEL** - Features a durable, easy to clean, decorative finish.
7. **2" x 3" ALUMINUM FLOOR JOISTS** - Provides a lightweight floor construction without compromising strength while allowing for the placement of in-floor furnace ducting.
8. **ENGINEERED 5/8" OSB FLOORING** - Provides the dependable decking needed to ensure an adequate foundation. Further stability is added by interlocking these sheets using tongue in groove construction.
9. **ARMSTRONG® FLOORING** - From the best name in residential flooring.
10. **FULLY ENCLOSED CHASSIS** - Provides a barrier from ground debris and allows for the holding tanks to be heated.
11. **R7 FIBERGLASS INSULATION** - As in your home, helps to ensure interior comfort in every season.
12. **ENGINEERED RADIUSED STEEL CEILING TRUSS** - Ensures strength, water runoff and reduced weight from wood structures.
13. **ENGINEERED OSB ROOF SUBSTRATE** - Is designed to maximize strength, is sealed to ensure moisture resistance and provides a solid backbone for the synthetic rubber roof construction.
14. **ONE-PIECE SEAMLESS SYNTHETIC RUBBER ROOF MEMBRANE** - Provides the ideal weather seal and is warranted for 12 years.
15. **REINFORCED CAMBERED STEEL CHASSIS** - Provides optimal strength, durability, and towing performance.
16. **DUCTED IN-CEILING AIR CONDITIONING** - Efficiently distributes cool air.

Regal Fifth Wheel Floor Plans

Personal space included, standard.

No matter how many in your family, you'll find the floor plan that gives everybody enough space. The Regal comes in sizes from 30 to 39 feet, with two to four slide-outs for added living area. Along with this bigger space comes larger appliances, superior construction materials and outstanding workmanship. So go ahead, pick your favorite floor plan.

A Fully Enclosed Chassis is available. No need to migrate to warmer climates. The enclosed chassis allows heating the holding tanks to help prevent freezing in colder weather.

Pass-Through Storage is the place to keep large items like camp chairs and tables. And you can get them out from either side.

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.

2. All dry weights are based on the standard model and do not include optional features or equipment.

3. Cargo Carrying Capacity is determined by subtracting Gross Dry Weight from GVWR. Cargo Carrying Capacity includes all fluids, optional features, equipment, and personal cargo.

4. Length taken from hitch or pin box to rear bumper (excludes accessories). Trailer length includes hitch; fifth wheel includes standard pin box.

5. Actual height may be lower, based on option offerings. Consult with your dealer to obtain actual height for the unit you are interested in.

6. Approximate.

7. Water weight equals 8.3 lbs. per gallon. Propane weight equals 4.2 lbs per gallon.

8. Hitch weights are dependent upon how the trailer is equipped with options, on-board cargo and tank fluid levels. Actual hitch weights may be higher or lower than shown. It is recommended that the tow vehicle and hitch for your trailer have sufficient capacity to accommodate actual usage.

N/A = Not available at the time of printing.

* = Estimated weights.

IMPORTANT—PLEASE READ

Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e.: equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.
